Notification No. 1371, *dated the* 12*th July* 1933.

Consequent on the abolition of the Special I.Sc. course leading to Engineering, the scheme of examination for the First Examination in Engineering is amended as under :—

For the existing, under Group II, and in respect of Grand Total (page 338 of Calendar for 1932-33, Vol. I) *substitute* the following :—

GROUP II.

Serial No.	Subjects	No. of papers	Hours for each paper	Marks for written examn.	Oral and Practical	Marks for records of class work	Total
3	Engineering Physics ...	1	2	60	30	30	120
4	Engineering Chemistry ..	1	2	60	30	30	120
5	Economics	1	2	50	..	10	60
	Total ..	...	...	170	60	70	300
	Grand Total ...	...	...	920	260	420	1,600

The Scheme as amended will read as under :—

SCHEME OF EXAMINATION FOR THE B. E. DEGREE.

FIRST EXAMINATION IN ENGINEERING..

Serial No.	Subjects	No. of papers	Hours for each paper	Marks for written examn.	Oral and Practical	Marks for records of class work	Total
	Group I						
1	Mathematics I—Algebra, Trigonometry and Mensuration ...	1	3	75	..	40	...
2	Mathematics II—Analytical Geometry and Calculus ...	1	3	75	...		...
	Total ...	...	...	150	..	40	190
	Group II						
3	Engineering Physics ..	1	2	60	30	30	120
4	Engineering Chemistry ...	1	2	60	30	30	120
5	Economics	1	2	50	...	10	60
	Total ...	...	...	170	60	70	300
	Group III						
6	Building Materials and Construction	1	3	150	...	30	180
7	Elementary Mechanical Engineering, Workshop Theory and Metallurgy	1	3	150	...	30	180
8	Free-hand, Model and Geometrical Drawing ...	1	4	150	..	100	250
9	Surveying—Theory ..	1	3	150	..	...	150
	Practice ..	..	..	...	100	75	175
10	Workshop Practice ..	...	...	...	100	75	175
	Total ..	...	...	600	200	310	1,110
	Grand Total ...	..	..	920	260	420	1,600

The revised scheme will be effective from the Examination of March 1935.

(*G. O. No. E.* 4178—*Uni.* 89-32-17, *dated the* 13*th June* 1933.)

By Order,
V. GOPALASWAMI AIENGAR,
Registrar.
